Mrs. Lacey's Case Dismissed Today

The case against Mrs. Norah Lacey who was charged with battery in connection with the cutting scrape which took place at a camp near this city about two weeks ago in which Mrs. Lillian Harrison was seriously stabbed, was dismissed this morning because of the lack of sufficient evidence.

Following the cutting fracas, Mrs. Lacey was held for a week at the county jail as a witness. Then the charge of battery was filed against her, and after her arraignment before Justice of the Peace Flournoy, she was released on her own recognizance.

The woman's husband is still confined in the county jail on a charge of assault with a deadly weapon. Since her release she has been given some assistance by neighbors.
