LACEY BOUND OVER TO THE SUPERIOR COURT HERE

Woman Who Was Stabbed Will Recover, Say Hospital Authorities

H. Lacey, who was arrested about a week ago, chargegd with assault with a deadly weapon, following a cutting affray which took place at a camp a bout three miles from this city and which resulted in Mrs. Lillian Harrison being stabbed several times in the breast and abdomen, was arraigned this morning at 10 o'clock before Justice of the Peace Vrooman.

Lacey was bound over to the Superior Court, and being unable to furnish bond, was returned to the county jail.

Mrs. Nora Lacey, the wife of H. Lacey, who is said to have been implicated in the fracas, has been charged with battery. She will be given a trial before Justice of the Peace Flournoy August 14 at 10 o'clock. She has been released from custody on her own recognizance.

The condition of Mrs. Harrison is very much improved. The hospital authorities are confident that she will be able to leave the institution in another week.
