THE PORTER BILL VETOED.

The President sent his veto of the Fitz John Porter bill to the House of Representatives Wednesday. The veto message was a sion; and it is made requisite that such strong document. The House at once passed the bill over the veto by a vote of 168 to 78, more than the pecessary two-thirds. The bill came up in the Secate Thursday, Senator Edmunds simply ordered the clerk sion laws. New principles are introduced to read the message, together with the action of the house. A motion was made to diers of the late war, and at least one new, pass the bill over the veto and voted down and what it seems will prove to be a very by a tie vote 27 to 27. Porter's friends large class of pensioners, is created. The will undoubtedly try again next winter, but bill provides that every person who served John A. Logan, with Blaine and Logan elected, their chance in the Union army for three months in the for success during the next presidential term late war and who is or shall become disawill be extremely slight.

# INDIANA SAFE.

Col. J. H. Woodward, of Indianapolis, Ind., widely known as "Jayhawker," the vice in the army. The pensions of widows This Democratic National Convention correspondent of the Cincinnati Enquirer, and miffer children of soldiers is increased said to a New York Tribune reporter the from eight to tweive dollars a month. special treasury agent of the Lake Champlain district, says the New York Times, has lately been investigating the smuggling of horses into this equatry from Canada. Reports had readled the department at Washington that horses were being brought across the border Into New York and some of the New Eggland states under the representation that they were being imported for preeding purposes and afterward sold as stock horses. The laws admit animals for breeding purposes f.ee, but require duty to, to be paid on ordinary marketable live stock. Mr. Winslow traced several horses that had been smuggled into this country under false pretcuses. Yesterday he found a lot of such animals in a sales stable in Brooklyn, and the proprietor of the stable was seaufiful children, are guests of Mr. and obliged to pay \$700 in duties. Two or three days ago the special agent collected a like sum from the proprietor of a sales stable In Sullivan county, where a lot of illegally imported horses were stalled. Since he bedence is ornamented with a splendid mass gan his investigation Mr. Winslow has four that about 200 horses were frauduled
