THE FORT GANSEVOORT PROPERTY,-The long pending legal controversy in relation to the plot of ground known as the Gansevoort property, is at last finally determined. The General Term of the Supreme Court, in an elaborate opinion, conmider all the questions at issue, and decide that the Comptroller has no alternative but to sign the bonds and take possession of the property. This plot embraces about 130 lots of land near the foot of Fourteenth-street, North River, with a water front of 900 feet. The land is set apart for a market, the design being to remove the Washington Market to this central point, so as to more fully accommodate the upper section of the City. We hope now that the legal obstacles are 'removed, that no time will be lost in establishing this market so much needed by the public.

THE QUESTION OF RANK SETTLED. The question of rank between the Major-Generals of the army has been decided by the Board of Officers to which it has been submitted, by determining the

following order of precedence: Major-Gen. McClellan, appointed May 14, 1961, to take rank from the same date. Maj.-Gen. FRENONY, appointed July 1, to rank from

May 14. 1861. Maj.-Gen., Banks, appointed June 5, to take rank from May 16, 1861.

Haj.-Gen. Dix, appointed June 14, to take rank from May 16, [861.] Maj.-Gen. Butizz, appointed May 15, to take rank

from May 16, 1861. The decision is upon two grounds: First-That an appointment may, be antedated by

the President, as in Gen. Farmour's case; and. Second-That the order in which the names stood in the list when the appointments were sent into the Senate, determines the rank between Gens, BARES, Dix and Borres, without regard to the actual date of appointment by the President.

On a subsequent call the Twenty-fith regiment and its gallant commander were again promptly in the field, and forward to their old quarters. On their final return, Col. Buran devoted himself to the organization of the One Hundred and Seventy-fifth regiment. Diseases of the Eye, Ear & Throat, CATARRH CURED

VON EISENBERG Author of " Surgical and Practical Observations on the

Diseases of the Ear, with his new Mode of Treatment " NEW TESTIMONY.

" NEW-YORK, May 6. I was entirely deaf in my left car, accompanied by a discharge. I placed myself under Dr. Von Eisanbarg's care, who, by his great skill, restored me to perfect hearing, in the short space of a few minutes, without giving me the slightest pain, and the discharge has nessed entirely. The Eustachian Tube, which was obliterated, is quite open, and I feel that the air-passage performs its functions. I am amply satisfied, and recommend every one suffering from impaired bearing to place themselves under the treatment of this eminent and successful phy-لحملها

THOMAS GRANAN, No 539 6th-av."

"New-York, May 7, 1843. I have great pleasure to testify to the skill of Dr. Ven EISENBERG. I went into his office almost completely deaf, and came out with my perfect hearing. It is nearly twelve months since, and the hearing is perfect. The aperation, which lasted two or three minutes in each of my cars, gave me no pain whatsoever. I, with confidence, recommend all sufferers to place themselves under Dr. You Risanness's unsurpassing skill.

SAMUEL C. HUNT. No. 6 Meserole-av., Greenpoint, L. I."

No. 136 Madisov-21., New-York, Feb. 9, 1863. I have been completely deaf in one ear, and partially so n the other, for above seventeen years, with a disagrees ble discharge from both cars, combined with continual rumbling noise in the head, for which I have been treated by a most eminent practitioner in the City without the elightest rollef.

I consulted Dr. Von Eisenberg, but I must candidly say that I had no faith in his success when I did so. It is, therefore, due to Dr. You Eisenberg to acknowledge that I am entirely cured, also, that he displayed that skill and knowledge which have procured for him such an unrivaled reputation. As I have had an epportunity of comparing his mode of treatment with that of others. I can truly state that it is not only superior, but the principles which direct his mode of restoring the hearing are, in my JUHN LAYLOR. opinua, certain.

NEW-YORK, July 19, 1962 This certifies that my mother has been for some time afflicted with partial deafness, suffering from pain, and rumbling poises in the head, together with other indications of a total toss of hearing. Dr. Von Fisenberg removed from her care a great quantity of matter, together with congulated blood, relieving her instantaneously, and all without pain. It is with grateful thanks that I give this testimony to his skill. OARROLL J. POST, No. 23 South-st.

SIGHT RESTORED.

JUNE 25, 1863. My daughter brought me to Dr Von Etsungung almost completely blind in both eyes. I could not bear the pain por the light. I am completely cured by Dr. Von Elaza-BEEG, and called now to express my gratitude to the Doctor for his skill and unremitting attention, by which I recovered one of the most procious senses to me after being deprived of it for four years. It is only due to Dr. Von Eisenberg to state that I have tried several physicians in vain. I shall be happy to bear personal testimony to Dr Vov Etsenuese's unrivaled success to any lady or gentleman who will call on me. HUGH GILLON,

CHRONIC CATARRA CURED

NEW-YORK, March 20, 1863.

"This is to certify, that I have suffered from very severe CHRONIC CATARRH, with a dull heaviness in the head. I felt my nose completely stopped up accompanied by continual soreness of the throat, the chilis stealing aver by continual screness of the throat, the chills stealing aver me with eccasional hot flushes, a great tightness of the chest and pain, so much so, that every one thought it was consumption. Having heard of the great cures performed by Dr. Von Eisenberg. I consulted him with but little hope of a care. I am new happy to be enabled to add my testimonial to the great number already in the Doctor's possession, as to his scientific and successful mode of treatment, as he has shown in my case that skill and knowledge which have procured for him so great a reputation. I am so entirely restored to perfect health that I do most sincerely recommend all antierers from CHRONIC CATARRH and BORE THROAT to apply at once to Dr. Yen Eisenberg with a certainty of being cured."
