## TO THE VOTERS OF MENDOCINO COUNTY

On the eve of the coming election I desire to take this means of again calling to the attention of the voters of this county my candidacy for the office of Sheriff of Mendocino County.

I bear no ill will toward either of the gentlemen who oppose me for this nomination, neither do I feel any resentment toward those who feel that they cannot support my candidacy. I ask for your support solely upon my merits to fill the office efficiently and at the least possible cost. I have made a clean campaign and I intend to continue so to do.

I now appeal to the voters not to forget to vote for me, and I wish to assure all of you that if I am elected I will perform the duties of my office without fear or favor to any person. I am not under obligations to any person or persons, or corporation, or organizations, and I believe that, if elected, I can and will perform the duties of the office in an efficient manner.

## VOLNEY VAN DYKE BEST FITTED FOR TAX COLLECTOR

As the time grows near for the primaries, which take place a week from next Tuesday, it behooves the voters to consider well the qualifications of the various candidates and to use the utmost discretion in voting in order that the men best equipped and most capable are picked out for the various jobs.

In the matter of tax collector, Volney Van Dyke, the present incumbent, was chosen by the board of supervisors to succeed Lee Cunningham when the latter resigned. Mr. Van Dyke had had previous experience in the office and also in other offices about the courthouse, and was considered to be the best fitted man available for the position. His appointment followed and he has most fully justified the confidence be-

stowed on him by the board. Since taking charge of the office he has reorganized and systematized it. His books and accounts are kept up to the minute and the taxpayers are assured of one hundred per cent efficiency. Times there are when it is necessary to give long hours of extra labor to the work, and in Mr. Van Dyke's case, this time is cheerfully given. Unfailing courtesy toward the public as well as strict attention to duty have given his office the reputation of being one of the best-conducted in the courthouse and mark Mr. Van Dyke as the right man in the right place.

The Dispatch takes pleasure in commending Volney Van Dyke and in endorsing his candidacy for tax collector.

### TADLOCKS PLAN EASTERN TRIP

Mr. and Mrs. Orval Tadlock are planning to go to New York early in October. Mr. Tadlock is making the trip at this time that he may see auction markets in action where Mendocino county grapes are being sold. He will take with him letters of introduction that will give him the privilege of a thorough insight into the marketing conditions. Mr. Tadlock is horticultural commissioner in this county. He will be away a month.

The trip east will be made over the Canadian Rockies and the return trip via the Panama Canal. Return passage has already been taken on the Mongolia. Mrs. A. T. Ellis, an aunt of Mrs. Tadlock, meets the Tadlocks in New York.

Mrs. Ellis is leaving San Francisco much earlier than the Tadlocks. She will be the guest of relatives in New York. Mr. and Mrs. Tadlock will stop over in Chicago to visit friends. They also will be entertained in New York.

A daughter was born to Mr. and Mrs. Bernard Moore, of Chico, on August 9. Mrs. Moore will be remembered by Ukiah friends formerly as Miss Sidney Squires, a daughter of Mr. and Mrs. Dave Squires. Mr. Moore is a son of the late Rev. J. E. Moore, former pastor of the M. E. Church, South, of this city. This is the first child born to the couple. Local friends will extend congratulations.

## VOTERS SHOULD GIVE JUDGE PRESTON BIG COMPLIMENTARY VOTE

The attention of voters is called to the candidacy of Judge H. L. Preston, who is running to succeed himself as judge of the superior court of this county. Judge Preston has no opposition, but voters should not forget to stamp a cross after his name just the same and give him a huge complimentary vote.

Judge Preston is a credit to Mendocino county. Only one of his decisions has ever been reversed by the supreme court out of the scores that have been appealed.

While sitting as a substitute of the district court of appeals the judge participated in the writing of 28 opinions, all of which were upheld by the supreme court. Eight opinions out of the 28 were written by him alone and concurred in by his associates.

He has shown that he is big timber in the judicial world and it is only a matter of time until he will be sitting on the supreme bench.

It is due him that he be endorsed by the people of Mendocino county with the biggest vote possible.

So don't forget to stamp a cross after the name of Judge Preston at the primary election on August 31.

Dr. Cleland reports the birth of a daughter to Mr. and Mrs. Ralph Richardson, August 12. Mr. Richardson holds a position at the Ward market in this city.
