DIGEST OF GAME LAW PREPARED BY CLERK

New License Not Effective Until Next January. Deer Tag Law Operative This Season

DEER SEASON REMAINS SAME

There has been considerable confusion created by the passage of the various amendments to the fish and game laws by the late legislature. In order to clarify the provisions in the minds of sportsmen, County Clerk Willis Prather has prepared for the Dispatch a digest of the more essential portions of the law, as follows:

The law increasing the hunting and angling license does not go into effect until January 1, 1928. The new hunting licenses run from January 1 to December 31 of each year, the same as the angling licenses. The new cost of hunting licenses which will go into effect on January 1, 1928 is:

- Residents of California, over 18 and citizens, \$2.00.
- Residents of California, under 18 and citizens, \$1.00.
- Non-resident citizen, \$10.00.
- Declarant aliens (those with first papers), \$10.00.
- Aliens, \$25.00.

The fee for angling licenses will be:

- Resident citizens over 18 (none required under 18), \$2.00.
- Non-resident citizens, \$3.00.
- Aliens, \$5.00.

There are no combined licenses. The new deer tag law goes into effect on July 29 of this year and provides that any person hunting deer must procure a deer tag license which costs an additional \$1.00.

SENATOR HANDY GOES "UP IN THE AIR" MONDAY

State Senator Fred C. Handy went "up in the air" last Monday morning. The cause of it all was Ed Pettis, state inspector of traffic officers. Ed is one of Uncle Sam's reserve aviators and can fly a plane with the best of them. Last Monday he took Senator Handy up in a plane which was here to carry passengers and which he borrowed for the occasion.

Handy got a thrill going up and coming down, but says that between the takeoff and the landing there was not much to it. It was the threat of telegraph wires as they were taking off and again as they were landing that gave him his few anxious moments.

FINE FOR TRANSPORTATION

Three booze runners were brought before Judge Hoffman the latter part of last week and entered pleas of guilty of transportation. They were A. Madrigal, C. Morgallini and Don Santorini. Each was fined \$450 by the judge.

BRIDGE PROTEST FEE QUESTION UNSETTLED

County Clerk Prather continues to mark time in regard to the filing fee in connection with the protests against the inclusion of Mendocino county property in the Golden Gate bridge district.

"The question as to the fee will be settled by a test case from Santa Rosa within a few weeks," said Mr. Prather yesterday. "Until the question is passed upon by the supreme court I can do nothing."

The proponents of the district on Wednesday filed a writ of mandate to compel the Sonoma county clerk to file the protests without fees. This is exactly opposite to their contention at first, when they insisted that the fee should be charged. Their action is taken with the hope that by so doing they can expedite the setting of the cases for trial.

MARRIAGE LICENSES

Marriage licenses were issued this week to the following couples: Walter Tait, Jr., 26, and Lois Grace Hamilton, 21, both of Berkeley; Oscar J. Erickson, 45, and Edith Dorman, 55, both of Fort Bragg; Thomas J. McFarland, 31, and Charlotte Gertrude McFarland, 29, both of Ukiah; William Frazier, 24, and Vivian Pina, 18, both of Covelo; Douglas H. McCallum, 31, and Kathleen Malley, 29, both of San Francisco; Fred Wiley, 23, of San Francisco, and Clara Patterson, 23, Occidental, Philippine Islands; Raymond C. Shaul, 24, Lakeport, and Ruby Leard, 19, of Ukiah; Roy F. Williamson, 23, Berkeley, and Nina M. Young, 23, Fruita, Colorado.

CAMP GROUND CROWDED

One hundred and twenty-five cars, the record for the park, were camped in the municipal camping grounds last Sunday night. This is the highest number on record. An overflow of fifteen cars was taken care of in the municipal park.

Harold Giles, who guards the interests of the tourists and of Ukiah at the camping grounds, stated that the crowd was a most orderly one and apparently here for the purpose of attending the rodeo.

JEANS SENTENCE FIXED AT 6 YEARS IN PRISON

The board of prison commissioners has fixed the sentence of Albert Jeans at six years in San Quentin.

FIRE AT RUSSIAN GULOH

Five last Tuesday night destroyed a freight warehouse and a portion of the wharf at Russian Gulch, a few miles north of Mendocino City. The fire was first seen by motorists at about 1:00 o'clock in the morning. They aroused local residents but owing to a scarcity of water nothing could be done toward saving the warehouse and it was a total loss. A portion of the wharf was saved, but about 200 feet of it was burned.

Dispatch Handicapped By Trouble on Lines

A considerable amount of news matter was left out of the Dispatch this week on account of the power trouble which affected all Ukiah industry Wednesday and yesterday. We were unable to operate our machinery for nearly all day Wednesday and for over half a day yesterday.

The trouble was at the state hospital. This circuit became shorted in some manner and kept blowing out the fuses at the substation, which supplies all this portion of the county with electricity. As a rule in times of trouble the Snow Mountain company switches to the P. G. & E., but in this instance neither line was available.

VACATION CROWDS HERE EXCEED ALL RECORDS

Rodeo Well Patronized Saturday and Sunday. Many at Willits and on Coast

The biggest crowds that were ever in Ukiah were here last Sunday and Monday. The three-day holiday brought thousands of cars from San Francisco and other bay points over the Redwood highway and into the Redwood Empire section. While thousands remained in Sonoma county other thousands passed through here for points north and hundreds remained in Ukiah. In addition to the visitors from the bay section, there were others from the coast section of this county, from Humboldt county and from Lake.

The rodeo was attended by good crowds on Sunday and Monday, but the attendance for Friday and Saturday was not what it should have been and reports are to the effect that the rodeo barely paid its expenses. A good show was put on on all four days, however, and the news of this going out will do a great deal to advertise the affair for next year. Once Ukiah gets the reputation for putting on a good show, the crowds will increase yearly. It is estimated that about 10,000 attended during the four days.

Willits also put on a first-class show. While the Willits rodeo (Continued on page 5)

CAR THIEVES ARRESTED BY SANTA ROSA POLICE

Joe Mitchell and Henry Downs, two local Indians, were arrested in Santa Rosa by the police of that city the latter part of last week and brought back to Ukiah on a charge of stealing Tom Farrance's automobile. The car was parked in the Elmer Gibson garage in this city. The Indians stole it during the night and drove it to Santa Rosa, where they stripped it of nearly everything that could be removed.

Farrance notified the sheriff's office the next morning as soon as he discovered his loss. The office in turn got in touch with Santa Rosa and on describing the car was told that the car had already been recovered and the thieves jailed. It seems that the car was found stripped in Santa Rosa suburbs and the Indians were seen taking the loot from the place. People living nearby notified the Santa Rosa police and the arrests were made and the parts that had been sold were traced and recovered.

WIDENING BOONVILLE ROAD

The work of widening the Boonville road is going forward steadily. Last year Arthur Johnson in charge of a gang under Supervisor Williams did considerable good work. Recently Lynn Prather an a'gang have been working along the same lines. The big turn above the Coking house was blown off with dynamite last week. This week the crew is working on the rocky turn just below the Coking valley.

The program will result in a fine road to Boonville in the course of a few years more. Most of the bad places have now been eliminated.

GULHOT'S PURCHASE LAKEPORT LAUNDRY

Mr. and Mrs. B. Gulhot, who formerly were engaged in the laundry business in this city, have purchased the Lakeport steam laundry and have moved to that place. Since leaving here, Mr. and Mrs. Gulhot have been in the laundry business in San Francisco. They have many friends in Ukiah who will be interested to learn of them and who will wish their success in their latest venture.

HAS GARBAGE CONTRACT

Beginning the fifteenth of this month, E. E. Hull will take over the contract for collecting garbage in this city. The contract was awarded him on bids.

CORNERSTONE LAID FOR HOSPITAL AT WILLITS

Frank Howard Memorial Structure to Be Built at Once. Other Notes from Willits.

WILLITS, July 5.—Monday morning, July Fourth, the cornerstone for the Frank Howard memorial hospital was laid with appropriate ceremonies. The money for this hospital has been donated by Chas. S. Howard, owner of the Walker valley ranch and the big auto man of San Francisco. The hospital site is at the south end of town and facing the Redwood highway. It will be located on the brow of a hill and has a most commanding site. The building will cost \$30,000.00 and a rough drawing of the building is now on display in the window of the First National Bank.

Frontier Celebration
The Willits Frontier Days celebration turned out to be a very successful affair. The street parade and sporting events were very good. Among the outstanding events were the whiskerinos and women and girls dressed as-in the days of '49. In the street parade the ox team trained and driven by Bill Lewis was probably the most striking feature.

MRS. MARY ELLEN HUGHES PASSES TO REST MONDAY

Mrs. Mary Ellen Hughes passed away at her home in this city last Monday evening, following an illness of many months' duration. Her suffering for the past few weeks were very intense and death came as a merciful relief.

The funeral was held last Wednesday afternoon at the Cleland mortuary, Rev. A. A. Doak, of the Christian church conducting the services.

Mrs. Hughes was one of the pioneer residents of Ukiah. She was the widow of the late C. A. ("Pony") Hughes, a member of one of Ukiah's earliest families. She was widely known to a multitude of friends, all of whom join in extending sympathy to the bereaved ones.

She leaves to mourn her passing, a daughter, Mrs. Georgia Dixon, of Scotia; two sons, John Crow, of Trinidad, and J. H. Hughes, of Ukiah; three brothers, James McGhan, of Cloverdale, Jake McGhan, of Monticello, and John McGhan, of San Francisco, and a sister, Mrs. Laura Shaffer, of Oakland.

MENDOCINO STUDENTS AT ARCATA COLLEGE

ARCATA, July 1.—The 1927 summer session of the Humboldt state teachers' college at Arcata opened Tuesday morning with an enrollment of 270, which is a very marked increase over last year's enrollment. Mendocino county people noted on the campus included George Burns and Irwin Hall of Willits, Miss Edna Beyers of Point Arena, Miss Lucille Ford and Mrs. Della M. Nesten of Ukiah, Mr. and Mrs. Kanen and Geo. Galloway of Hopland, Miss Elizabeth Koskela of Albion, and Mr. and Mrs. P. B. Westerman of Potter valley.

OLD TIME EDITOR'S SON HERE ON VACATION TRIP

Dr. Gambee, of Portland, Oregon, accompanied by Mrs. Gambee and their son, were visitors in Ukiah the latter part of last week. Dr. Gambee is a son of a former editor and owner of the Dispatch in the late 70's. He reports that Mr. Gambee, senior is in good health and often talks of Ukiah and the early days here.

Mr. and Mrs. Lynn Crawford of Oakland and Mr. and Mrs. Harry Jepson of Petaluma, were guests in the Percy Handy home. Mrs. Crawford and Mrs. Jepson remained for the week.

MRS. ORPHA HOWARD ANSWERS CALL OF DEATH

Released from a period of invalidism which lasted more than thirty-five years, Mrs. Orpha Ann Howard, widow of the late William Howard, passed away Sunday noon at the age of 77 years. Funeral services were held Tuesday from the Baptist church.

The deceased was the mother of Mrs. Fred Rothschild of San Francisco, Mrs. Rachel Markham of Ukiah, Mrs. Fred Smith, Louis and Elmer Howard. Mrs. Markham attended her mother during the long period of illness.

Mrs. Howard was born in Indiana in 1850. At the age of 16 years she crossed the plains, driving one of the oxen teams in the caravan. The family came to Willits. After her marriage to William Howard she came to the ranch where death occurred and which was her home during her married life.

The death of this elderly pioneer woman of the county occurred at a time when the entire family was gathered in Ukiah for the holidays. Mrs. Howard had five grandchildren and thirteen great grandchildren. Besides the sons and daughters of the deceased there were at the funeral Ward Howard of San Francisco, Porter Smith of San Rafael, Mr. and Mrs. Vertie Orr and family of Sacramento, Mr. and Mrs. Garry Stock and children of San Francisco, Fred Rothschild of San Francisco. The Howard family is one of the old pioneer families of the valley.

BOOZEGERS FINCHED

Taking too literally a statement they read in a newspaper to the effect that the lid would be tilted in Ukiah over the Fourth and an intimation to the effect that "no arrests would be made" Dell Armstrong, a white man of Lake county, and Clarence Myers, an Indian of Ukiah, were arrested for peddling booze.

Armstrong was fined \$400 and the Indian \$300 by Judge Hoffman. You can't always believe everything you read in the newspapers.

DIST. ATTORNEY HAS RIGHT TO EMPLOY DETECTIVES

SACRAMENTO, July 4.—District attorneys of California can, Attorney General U. S. Webb has held in an opinion just handed down here, employ undercover agents to detect crimes and these can be sworn in as deputy sheriffs and exercise all the duties of such officers. Such appointees, however, Webb ruled shall be paid by the district attorneys out of funds allotted by the supervisors for the detection of crime and shall receive no compensation for their deputy commission. The question was raised by District Attorney Lillburn Gibson of Mendocino county.

Mr. and Mrs. Donald Fair are guests at the Gilmore ranch on the Eel river.

DIGEST OF COURT BUSINESS

A damage suit for \$50,600 is the aftermath of an accident at Rockport last winter when two men were drowned and two others narrowly escaped a like fate after their boat overturned as they were attempting to untie the moorings from the steamer Bertie Hanlon. The plaintiff in the case, which was filed this week, is Wm. J. Houston and the defendant A. F. St. Sure, alleged to have been operating the steamer under lease at the time the accident occurred. Houston after being thrown in the water managed to keep afloat by great effort until rescued but owing to the shock and to the long period of his immersion in the icy water, alleges that he sustained physical injuries from the effects of which he has never recovered. Atty. Charles Kaach is representing the plaintiff.

Addie B. Fairbanks has filed a complaint against Velma Ramsey and others seeking to foreclose a mortgage for \$3050 principal, accrued interest on the same, \$207.96 taxes and interest on that amount, and \$300 attorney's fees, also for costs.

The case of P. E. McKinney vs. Earl Fruit Co. has been appealed from the justice court of Ukiah township. The plaintiff sued the fruit company for \$273.43 but recovered nothing, while the fruit company was given judgment for its costs. Attorney Hale McCowen is representing the fruit company. Jennie K. Long has filed a complaint (Continued on page 8)

TRAFFIC WELL HANDLED, RODEO CROWDS ORDERLY

The oft heard statement that the rodeo would draw to Ukiah a disorderly crowd is not borne out by the records of the police, the traffic officers or watchmen in any part of the valley.

Traffic Officer R. S. Ryder states that it was the most orderly Fourth he has ever witnessed. The only accident recorded was the collision between Miss Mildred Martin and Bill Rice. Not only on the rodeo grounds but on all routes leading to the grounds the crowd was a most orderly one.

Ukiah witnessed the largest crowd that has ever assembled in the history of the city. A four-day celebration with the rodeo as the central attraction was carried on without accident or infringement of the law with the exception of a very few minor cases.

Officers Ryder and Ciancio handled the crowds going to and from the grounds and Marshal Cleland policed the city. The record is one of which the city can be proud.
