The members of the board of directors of the Julies oun County Agriegitural society are in session Inday at the county building transacting matters preliminary to next year's exposition. President Warren A. Rogers called the meeting to order this morning at 10 with all members of the board present but Edwin E. Poul and H. C. White. The only matter of importance

brought before the meetings this torenoon was the appointment of rommittees and superintendents of the various departments. There was but one change in the list of executive officers, H. C. White succeeding.
W. A.Rogers in the art and food de-partment. The other executives are: D. H. Laird, horse department: M. d. tiragg, castle, sheep, swins and poultry; A. E. Helmer, domestic hall; F. H. Reeves, dairy and mechanics hall; E. S. Poul, horticultur-

al ball. There we several changes in the committees, the revised list being as follows: Grounds, Rogers, Maxson. Gragg. Reeves: printing, Skeels, Gragg, White; races, Laird, Skeels, Marson, McCant. Reeves: privileges. DeCant. Rogers, Reeves; amuse-ments, DeCant, Helmer. White,

Marson: passes. Rogers. Pool. No contests developed upon the appointment of apperintendents, and this matter, which usually consumes ! the other superintendents being, F. as follows: A. Flint, poultry: George Jennings, side," tables; G. N. Maynard, fruit; A. E. Keller, domestic department. Flanders, dairy and mechanics: Miss

Elizabeth Clark, food: Mrs. James M. Felt, children : H.F. Howley, art : lar. D. R. Hardy apiary. The only! The vote was taken at the morn-changes in the list are Mr. Read in ing service yesterday, but no formal place of Mr. Sargent as superinten statement will be made as to the redent of horses and Mr Howley in place of Byron J. Smith as superintendent of art. At the opening of the meeting this afternoon the question of a horse show was taken up. The opinion

society could not afford to support this attraction. The best of feeling prevailed towards the horse show peolpe but the directors were of one mind that Several of the members said that sieigh and the roots of a tree in they hoped a show would be given independently next season, promising to do all in their power to assist

seemed nearly unanimous that the

in its success. On motion of Mr. Grage the following resolution was adopted : Whereas, The Jefferson County igrieniture Society for the past 110 years oas annually held in connection with its annual fair an exhibition called "The Horse Show" madelled after the exhibition held by the state fair at Syracuse and other organizations in New York and veinity and wible they fully realize the attractive appearance of the many eshibits which have

shown in connection with the horse show they have found the expence connected with heach one to the exhibitions has been more than the re- i celpts andthat the added expense has become a burden withch they are reliminant to continue, therefore Resolved. That for the Year 1905. in money will be appropriated for a horse show and no horse show held in connection with the next annual

Residved faht the amount of \$1 500 will be appropriated for premiuic m the regular horse classes for the Resolved that the grounds of the seciety will be leased to any Association who desire to hold a horse

VETERINARIAN KELLY

Dairy Seemed to be Selend with Insanity, and One Attempted to Climb

a Lader-Veterinerian Burne Parforms Post Mortem on a Cow That

State Veterioarian William H. Kelly of Albany went to the form of William Nellin in the town of Pamelia ymterday and killed one of the cown alleged to be infected with rables. The remains were taken to Alhany where a careful examination will be made to discover the real cause of the madness of the cattle. For the past three weeks the cows in the dairy of Mr. Nellis on his farm occupied by Michael Luze have displayed symptoms of insanity in some form. The owner is inclined to think if is emused by a mad dog. Mr. Nellis having killed one recently on his farm which was belived to

bave been mad.

He believes that the cows were bitten as one of them showed violence and chased Mr. Luze up a ladder to a hayloft and then tried to slimb the indder herself, but only reached a point where her front feet

were on the first round.

One of the cow died and Veter inarian Thomas Rurus was called and made a post mortru examination. From his examination Dr. Burns decided that the sanimal had been afflicted with myrne or paralreis of the third stouach. One of the cows in the stail exhib ted as the State Street Methodist.
