FEUD Arch Enemies To Meet at Talmage

Loggers and Sluggers Will Go to Bat

The Fort Bragg Loggers, popular aggressive ball club managed by "Pop" Marshall of Fort Bragg, have always considered the Talmage Sluggers, managed by "Foggy" Ottosen, as their arch enemies. Many contests have been marked down in the score books with the honors about even or maybe just a shade in favor of the Loggers.

Next Sunday that ancient feud will be resumed on the Talmage diamond. The Sluggers are out after a win after being defeated by Fort Bragg on the Fourth of July in the coast city. Naturally, the Loggers are going to come here determined to hang another victory up and it promises to be a great battle.

In preparation for this outstanding game, Manager "Foggy" Ottosen has been slowly building up a ball club that has many possibilities and believes that he has the right combination to take the Loggers into camp.

"Pop" Marshall has not been asleep these many moons and will be here with the best that Fort Bragg can produce. Listed among the Loggers is Joe Woodruff, former Ukiah and player for the Sluggers. Joe is reported to be holding down the initial sack for the Loggers in a big way and the Ukiah fans are looking forward to seeing Joe in action again. Perhaps he will get a lot of support from the local fans and then again he may be in for a lot of that good old razzing. We'll have to consult Sam Ray about that.

In order to insure a capacity crowd for next Sunday and incidentally to swell the near-depleted Sluggers treasury, Manager "Foggy" Ottosen has arranged for a pre-sale of tickets for the game.

RED CROSS SWIMMING, WATER SAFETY CLASSES ARE PLANNED

Oswald Thoreson, American Red Cross first aid, life saving and accident prevention representative, will visit Mendocino chapter, American Red Cross, August 4 and 5 to aid in planning additional classes in swimming and water safety.

Mr. Thoreson is a graduate of the Albion State Normal School, Idaho, where he was a football and basketball player. He has attended four American Red Cross aquatic schools and has worked as a special Red Cross instructor in life saving and water safety for CCC enrollees at the Red Cross aquatic schools.

GAME TO DECIDE CHAMPIONSHIP OF COUNTY

While Fort Bragg Loggers are battling the Sluggers at Talmage Sunday, Caspar and Laytonville will play at 2:30 p. m. on the coast to determine the County League championship.

The game will be a good one as Caspar has lost two games and won eight and Laytonville has lost three and won seven. Both games lost by Caspar were won by Laytonville, the last by a count of 10-0. Both teams have Indian pitchers, Burns for Laytonville and Duncan for Caspar.

Governor Signs Catfishing Bill

A letter notifying him that Governor Culbert Olson of California had signed the bill to regulate the commercial fishing of catfish was received by Monte Reid, president of the North Coast Sportsmen's Association.

The letter reads: "Dear Mr. Reid: Please accept my thanks for writing to me expressing your views and recommendation regarding a bill to regulate commercial fishing of catfish. I am pleased to advise you that I have approved and signed this bill. I appreciate your aid in the matter." The letter was from the governor's office under date of July 25.

AQUATIC SWIMMING STARS READY FOR MEET

Empire Contest Will Be Held At Night

The contest which will be held at Boyes Springs on Friday evening, August 8, for the Redwood Empire Water Sports League swimming championships, will be a gala affair of first magnitude, if arrangements now being whirled into shape come to full fruition.

A spectacular feature of the event will be the pageant of 12 girls attired in red, white and blue swimming suits and capes and displaying in the enchanting glow of colored lights to the music of an 11-piece orchestra. A capacity crowd of 4000 is confidently expected to witness this spectacle.

Ukiah's swimming team, which is now tapering off a training period of long hours, will enter the competition content in their ability to take several of the highest honors. Among local contestants, Chuck Knight and Al Laukcare will be in the diving competition, Wally Van Dyke in the breast stroke swimming. George Hengeveld will compete for 100-yard honors in free style swimming, and Bob Blackson is being groomed to set the pace in backstroke competition. Dawn Sherman and Jane Hughes of Ukiah will compete in the ladies' sprints.

TALMAGE WINS 8 TO 4 FROM LONGSHOREMEN

(By Ken Busch)

The Longshoremen, highly touted semi-pro ball club from the bay area, got hold of a real hot cargo when they tangled with the newly rejuvenated Talmage Sluggers.

The Sluggers, led by iron man Ernie Mosna, hitting in the places that it counted the most, battered three steevedore hurriers for 11 hits and took the ball game 8-to-4.

Cecil Hart, the man-mountain Sluggers ball-bender, was in fine form and allowed but six safe blows, three of which were gathered in a ninth inning Longshoremen rally.

The Longshoremen scored in the second frame on a triple by Samarduff and an error by Mossi at third. Talmage came right back with one to tie when Ottosen doubled and scored on the subsequent play. Hart blanked the Longshoremen till the ninth but weakened to allow three hits and three runs. Talmage counted twice in the fourth, sixth and seventh and once in the eighth.

Hank Britton, the newest addition to the Sluggers, showed himself to be a powerful hitter when he drove a terrific smash into right center field for a home run in the seventh frame.

Chief Wright also joined the ranks of the home run hitters by driving one into the same spot for a circuit clout in the sixth.

Bob Guidi again proved himself a fast fielder when he jumped into the ditch back of left field to gather up a home run ball and fire it into the infield. But for Mossi's error on a hard throw in at third, Samarduff would have been held at third to prevent the first Longshoremen run.

The shades of night are falling fast on the second half of the softball season and last Monday night the fans witnessed two of the sloppiest games of ball seen here this season.

After four innings the Lions had completely slaughtered the Palace Hotel and emerged with the fantastic score of 20-to-6.

Pitching difficulty suffered by Bolon plus the hitting of the Lions gave the latter 11 runs in the first inning and they were never headed.

Parducci, on the hill for the Lions, had no trouble with the Palace bunch, allowing six hits and six runs.

Floyd Rowland managed to get one of those things again, thereby treating himself to a free roll down at the Ukiah Bowling Center.

Perhaps the most interesting highlight of the whole game was the fact that both teams employed the services of some very small and very swell youngsters. Junior Lucchesi, the lad who did such a fine job of pitching in the kids exhibition game recently, was out in the right pasture for the Lions while Bob Lebsack was playing the same position for the Palace Hotel.

The second game was almost a repetition of the first. Four walks issued by Pete Richardson and four hits by the Eagles put the Eagles out in front by seven runs in the first half of the first inning. This proved to be too much of a lead for Wildberger & Ward's to overcome and they dropped the game to the sloppiest team the Eagles have ever had on the field. Only two men escaped the error column for the Eagles and they just managed to out-hit the Wildberger & Ward team 11-to-10.

Don Crawford and Foggy Ottosen were the heavy hitters for the evening, both getting three for four. Foggy collected a home run on a fluke hit into left field.

Tonight's games should see a hot contest between the Knights of Pythias and Talmage. Talmage has a chance to tie the first place honors in the B league. Butler's Richfield has a chance to tie it up with the Eagles who now lead in the A league.

FEUD NEWS! Sluggers vs. Loggers On Sunday

With the day of reckoning approaching, supporters of the Talmage Sluggers are preparing to greet the many followers of the Fort Bragg Loggers.

Sunday is the big day, when the cohorts of "Pop" Marshall will tangle with the best that "Foggy" Ottosen can produce.

Everything is in readiness at Talmage for the supreme effort. The diamond is in good shape, the pre-sale of tickets is going good (by the way, have you got yours), and all the rosters are getting their vocal organs in fine fettle.

This should be the game of the year. Don't miss it! The fireworks start at 1:30.

EASTERN CARS Five cars of parts billed for the east have gone out from Ukiah this week. The first car was billed out Monday.

Mr. and Mrs. F. S. Dorman of Ukiah were in Ukiah Wednesday to be present at a meeting of the board of supervisors.

Sawyers School Students Sign Picnic Roll

Among the guests called upon to speak at the Sawyers school picnic, held Sunday in Cook's grove, Ukiah, was Mrs. Hale McCowen of Ukiah, who followed a number on the program.

Mrs. McCowen's mother, Mrs. Blosser, was teacher at one of the early day schools. Dr. Robert Smalley of Ukiah, who went to the old Whitcomb school at three years because they needed students to keep it open, believed Mrs. Long was his first teacher. Ora Thelen of Berkeley, daughter of Henry B. Muir of Ukiah, told of two young doctors, Dr. John Blosser and Dr. Henry Thelen, representing three generations of old Ukiah families, starting their internships at the San Francisco City and County Hospital. O. E. Jacobs of Ukiah, son-in-law of Austin Muir, Ukiah, described the picnic as a fine tradition. Mrs. Margaret Endicott was called on and also Bertha Beatty Cook, owner of the grove, and Louise Clow, a visitor.

"Students" Registered

The following 32 former Sawyers students signed the register: Henry B. Muir, Iva Muir DeCamp, Margaret Muir Hamilton of Berkeley, Helen Wheeler Moore, Jim Muir of Richmond, Emma Muir, Laura Bigelow Muir, William J. Haehl, Ukiah; Lillie Barnett Weidner, Oakland; Margaret Symons Endicott, Marie Simonson Ferguson of Healdsburg; Cora McNamer Hearst, J. W. Fulwider of Mirand; W. L. Felton, Rachel Howard Markham, Sacramento; Addie Whitcomb Jamison, Ukiah; May Howard Rothschild, San Francisco; Sarah McKinley, Alice Wheeler Frost, Lina Howard Smith, Ukiah; Walter E. Moore, Helen E. Moore, Dave G. Cook, Mel Carner, Mary Fulwider Wright, Edna F. Wright Grant, Hopland; Frances Fulwider Tuck, Albert Clay, K. N. Wonnacott and wife, Mervin Sawyers, Miss Thelma Sawyers and Henry Haehl.

Sawyers students' husbands, wives, children and grandchildren at the picnic were Myron DeCamp, Myron and Barbara Gramer of Eureka, grandchildren of Iva Muir DeCamp; Ora Muir Thelen and daughter of Berkeley, daughter and granddaughter of Henry B. Muir; Anna Mae Moore, granddaughter of Helen Wheeler Moore; Mrs. W. J. Haehl, Ukiah; Cella and George T. Hayward, son-in-law and daughter of Margaret Endicott; Erwin E. Ferguson, H. A. Fulwider of Mirand, Katherine Schelling of Ukiah; Vertie E. Orr and Donald Orr of Sacramento, Andy Curtin, Barbara Smith, Joyce Lebedor and J. H. Lebedor of Ukiah, Ward Moore of San Francisco, W. A. Moore, Gloria Lebedor and Zada Alexander of Ukiah, Howard Stock of San Francisco, Blanche Shelton, May I. Case, Mrs. Muriel Sawyers and sons, Douglas and Warren; Roberta Cook, May Cook, Mrs. Millie Sawyers, Leland Sawyers, Joy Sawyers and Perle Felton Haehl.

Representing both Sawyers and Little Lake schools was a family group of four generations—Austin Muir of Ukiah, his daughter, Mrs. Leta Muir McLean of Scotia, her daughter, Mrs. Mary McLean Minor of Arcata (Austin Muir's daughter and granddaughter); Mrs. Mary A. Rupe, Ukiah; Geraldine Rupe, Ukiah; V. E. and Inez Frost, Redwood Valley; Mr. and Mrs. Nelson Endicott, Ukiah; Charles Hatten and family, Fort Bragg; Jeanne Hopper, Ukiah; Hattie Muir Jacobs (daughter of Austin Muir), Ukiah, and Mrs. Millie Bahn Sawyers, Ukiah.

Whitcomb and other schools registrants were John M. Whitcomb, Fort Bragg; Anna Simonson Lerch and J. W. Lerch, San Rafael; Mrs. Lola Carner and Dr. Robert Smalley, Ukiah. Visitors registered were Mrs. Sarah M. Cook, David M. Mego, E. Estill, Mr. and Mrs. Hale McCowen, Mr. and Mrs. O. E. Jacobs and daughter Donna, all of Ukiah; Miss Mary Alice Buhr, Los Angeles, and from Ukiah—Mrs. E. M. Fish, Virgil M. Stone, Sarah D. Upp, Sadie Frost, Mrs. Mabel Shimmmin, Miss Ileta Shimmmin, George and Lela Heyward, Wade T. Cook, Mesdames Leland Cureton, Emma Cureton, J. A. Brook, Mrs. J. H. Tucker, Miss Gay Tucker, Margaret Simonson, Mrs. Robert Smalley, Mrs. Madeline Smalley and children, By Joe and Gail; Mrs. G. T. Clow, Miss Mollie Rogers and Anne Simonson.

She May Be Visualizing The Future

The war has gotten on the nerves of one woman to the extent that she sees airplanes land where planes could not possibly land and sees men marching in Mendocino county where there is not even an army camp located.

A San Francisco woman, occupying a comfortable cottage in the coast area, reported to an officer in Fort Bragg that seven planes had landed at night at a given point on the coast and that she had seen nude men descending trees and marching along.

Knowing the area specified, the story was discounted though told with every semblance of truth. Taking a train to Ukiah, the story, with some variations, was told by the woman to officers there and reported to the office of Sheriff E. L. Williams from both cities. Sheriff Williams and a deputy went out on the case, connected with the woman's family in San Francisco and they came and took her home. She had been coming to Mendocino county on vacation a number of years and appears perfectly rational in every way except for hallucinations.

Youth Caravan to Tarry A Week

ANDERSON VALLEY, July 26.—The young people of Anderson Valley will enjoy a visit from one of the Youth Caravans of the Methodist church during the week of July 27 to August 1. The caravan is composed of two young women and two young men of college age and experience, accompanied by a counselor. They will meet the boys and girls of the junior and intermediate department age each morning at the church, while the older young people, of high school age, will meet each evening. Various opportunities for recreation will be planned. All young people of the valley are invited to participate.

Rex Halliday Takes Out License to Wed

A marriage license was mailed Friday from the county clerk's office at the Ukiah court house to Rex Halliday of Point Arena and Thelma Rena Kadel of Lincoln, California, for a wedding to be solemnized at the week end. It is reported.

Mr. Halliday, manager of the Bank of America, Point Arena, is a son of the late Supervisor J. H. Halliday and Mrs. Halliday was a member of the pioneer Gilmore family of this county. Miss Kadel is a school teacher.

They Know the Haunts of Deer

For more than 50 years two of the men in a hunting party that left Ukiah early Wednesday morning have gone to the same hunting grounds and never failed in all those years to bring back their game.

They are former Mayor J. R. Thomas and former Supervisor E. M. Ford, two of a party of six that also includes Robert McGarvey, Hale McCowen, Frank Thomas and Follett Morris of Santa Rosa. Hale McCowen has joined the party for more than 20 years and Robert McGarvey has been a member for many more years. Follett Morris, a son-in-law of J. R. Thomas, is the "baby" of the group. Fred McKenzie, who has been one of the party for a number of years, made a trip to New York and other points this summer and could not join the hunting party.

The men go to Burnt Camp in the recesses of the mountains far beyond Hearst, to which point they can go by auto. They pack in by horse and mule, seven miles from the nearest road. There is a cabin on the hunting preserve.

For a week they leave civilization behind, having neither telephone, radio or newspaper to bring the news of the world.

Reeves Canyon Stocked With Fingerlings

Husky fingerlings, the majority of which should survive, have been planted in the streams of Lake and Mendocino county.

Rescued from Cold Creek in Potter Valley, 12,000 fingerlings are growing up for the fishermen in Reeves Canyon where the new road is going to make that beautiful recreation ground more accessible to the people.

Rescued from Soda Creek in Lake county, 14,000 fingerlings have been planted in Little Sulphur and Austin creeks near Healdsburg and Cazadero in Sonoma county. And from the same Soda creek 13,000 have been taken to Kelsey, Alder and Mill creeks of Lake county.

The information is received from Monte Reid.

Youngest Golfer Plays 18 Holes

Six-year-old David Stirewalt is the youngest golfer on the Ukiah municipal golf course. David played his first 18 holes the end of last week, making the first nine in 83 and the second in 73. He is a grandson of Mrs. Ellsworth Eames, the only woman golfer who has made the municipal course in par. David is just out of kindergarten.

Another personal record made on the course last week was by Betty Hartmann, who broke 100 for the first time on the local course. Mrs. Hartmann made the first nine in 50, reducing that score by 11 strokes to make a 45 on the second round.

Aginsky Camp Closes Summer Session

The Aginsky camp broke up last week and the members scattered to their respective homes. There were 16 in the group this year, about half the number having been in Ukiah on former summer trips. The session lasts eight weeks officially and constitutes summer session work under the University of New York. Study of the life and history of the Indians and their customs is the objective of the summer session.

Dr. and Mrs. B. W. Aginsky have been coming to Ukiah for a number of years and for the last three years have directed laboratory study at the session.

E. Wilson, a member of the group, has gone to the Klamath on a vacation trip of a week and will be back in Ukiah before going East.

The party has occupied the J. R. Mathews home while in Ukiah.

Huntsman

Former Mayor J. R. Thomas has gone to the same hunting grounds at the opening of deer season for more than 50 years and has never failed to return with a buck.

Rotarians Will Go Stag to Lakes

Rotarians have a stag party slated for Tuesday evening at the J. H. Hansen and W. A. Thornton cottages at Blue Lakes. Local members will dine on barbecued steaks.

President Ruel Stickney, C. M. Fulkerson and Dr. Luke Gerickie attended the Rotary district assembly from Thursday to Saturday at San Mateo.

Bruce Hufford of the Howard Memorial Forest, state forester for Mendocino county, was in Ukiah Wednesday in connection with the hearing on the preliminary budget.

Bunk House, Barn, 50 Ton Of Hay Burn

Seabiscuit and Colts Were at Safe Distance

Fire of undetermined origin early Monday morning destroyed a barn, containing 50 tons of hay, and an adjacent 16-room bunk house, on the Charles S. Howard Ridgewood Ranch north of Ukiah.

The blaze, which started in the barn, was discovered about 5:30 by a workman, who immediately sounded an alarm. A hurried call was sent to the Ukiah fire department, which responded at once. In the meantime, the ranch fire fighting equipment went into action. The barn was full of loose hay which went up like powder, the blaze being so hot as to ignite the bunkhouse 50 feet away.

A number of work horses were in the barn when the blaze started, but all were saved. In addition to the hay, considerable riding equipment was lost.

The bunkhouse, in which 20 men lived, was almost entirely destroyed, together with some personal belongings. A large new barn, 100 feet to the south, was protected by a stream of water. Fortunately, no wind was blowing or destruction of the new barn would have been almost certain.

Seabiscuit, famous Howard racehorse, was half a mile from the fire, and none of the other racing animals were endangered. Loss is estimated at about \$50,000.

Police Judge Voted Salary Increase

The city council Wednesday evening voted to increase the salary paid the police judge to \$30 per month, an increase of \$20. The action was taken after the council had reviewed the report of business transacted and moneys collected by that department and as an incumbent judge may not be given a salary increase during his term of office, the council first terminated Judge Paul's current term, voted the increase, and re-appointed Paul to the post.

Honestly, a Modern ELECTRIC RANGE cooks as good as it looks!

Yes, for all the trim sleekness of the modern electric range, it cooks as good as it looks. The beauty of it too, is that the electric range stays looking new and performing like new through years and years of use. Electric heat is fast with the new super-coils. Electric heat too is clean as electric light. You'll note this on seeing how your pots and pans stay clean and bright and your kitchen woodwork keeps fresh and clean. These are the extras from electric cooking that every user praises. And when you cook electrically you will want to heat water this same effortless, clean and economical way. For you see, when you cook electrically and heat water electrically, you start using electricity at the very lowest rate. Go modern...go electric all the way in your kitchen. You will be glad you did.
