

Markham Family Cemetery:

This cemetery is in Warner, Oklahoma and is on private property presently owned by John Synar. Being that this cemetery is of all Markham descendants, we have tagged the name "Markham Family Cemetery". This little cemetery is on a slope of the former ranch of Burk Markham. We have gleaned this off Burk Markham's Mother's obituary found in the Muskogee Daily dated May 31st, 1950 (page 2). It states the following "*Funeral services will be held for Mrs. Sally Markham, 92 year old Warner resident, will be held...at the home of Burk Markham, her son, with whom she had been residing, with burial in the family cemetery on the Markham ranch...*". Many thanks go out to several Markham descendants of this cemetery and their spouses in supplying these photos.
