LUCY
BORN
SEPT. 8, 1845
DIED
JAN. 30, 1877

A large, fallen tree trunk lies horizontally across the foreground, its dark, weathered wood contrasting with the surrounding greenery. Behind it stands a tall, rectangular headstone made of light-colored stone. The headstone has a decorative emblem at the top and inscriptions in capital letters. The visible text includes "LUCY", "BORN", "SEPT. 8, 186", and "DIED", followed by a date that is partially obscured or faded.

LUCY
