SAYS SPOUSE DESERTED HER.

Mrs. Bertha Boggs of 546 Castro street secured a warrant yesterday from Judge Conlan for the arrest of her husband, Rhinehart A. Boggs, on a charge of abandoning her while in a destitute condition. The charge comes under the new law covering such an offense, enacted by the last Legislature. Mrs. Boggs alleges that Boggs suddenly disappeared after securing \$500 of her money and \$150 which she had borrowed from her son. He was given the money for the purpose of buying property.
